Due to the hottest August on record we have not halter-broke calves this year to avoid stress. Calves have been started on a pre-con feed ration and are up-to-date on vaccinations and worming. If you have questions on dispositions please feel free to ask.

NEW this year. We will be hosting our sale on SC Online Sales. There will be no registration at the preview but rather on your own. If you have difficulty registering or bidding just contact SC and they will assist. Due to COVID-19 we will not be serving lunch but will still have drinks and snacks for you.

See you October 3rd, 2020 in Lehi Utah
